MIYAZAKI MONDAYS

vol. 2

Bonn Speculative Fiction Group (BSFG) is a reading group at the University of Bonn which discusses a new book every month. In addition to that, each Monday, we'll watch a Miyazaki Movie together in order to put our minds off things. This is the second edition. We'll start at 8pm sharp and use the #miyazakimondays channel on our Discord Server to chat away. So get yourself some popcorn, force your flatmate to watch the movie with you (and us) and ENJOY!
