Information for new students with late admission – first steps to take now!

1. Activate your university mail address on [www.gosa.gosa.uni-bonn.de](http://www.gosa.gosa.uni-bonn.de)
2. Use this address and your login password on [www.basis.uni-bonn.de](http://www.basis.uni-bonn.de) – here you will find the Vorlesungsverzeichnis where you can look at the classes and dates. You will also find the respective lecturers there. You have to contact them and ask to be admitted to the classes since by the point, all classes will have started and are filled with students. You can find all email addresses here: [https://www.iaak.uni-bonn.de/de/people](https://www.iaak.uni-bonn.de/de/people)
3. Once the lecturers have given you their permission to join the class, you may use the Nachbelegphase to register for the classes. This phase is ONLY for registration of classes you have been permitted to join.
4. If you have been admitted after the Nachbelegphase has started, please contact the lecturers first and with their approval for joining the classes, contact [coordination-english@uni-bonn.de](mailto:coordination-english@uni-bonn.de). The team will be able to add you to the classes but only if the respective lecturers agree.
   a. Please note: Language Skills I has mandatory attendance and you cannot miss more than 2 classes. If you have been admitted more than 4 weeks after the beginning of the semester, you should take the class in the following winter semester.
5. Gather all material on [www.ecampus.uni-bonn.de](http://www.ecampus.uni-bonn.de) and try to catch up as quickly as possible.
