

# Duckling Tales

A crack in my world  
The eggshell's a wreck  
My feathers still curled  
I give my first 'quack'

I wiggle my feet  
This gives me more pep  
Can't wait for a treat  
I take my first step

I ruffle my fluff  
At the shore we clump  
But ducklings are tough  
I make a big jump!
