

Semester Meeting

Summer term 2023

What we are going to talk about...

- 1. Accreditation of academic achievements
- 2. Exams & term papers
- 3. Important documents
- 4. Cultural adjustment
- 5. Suggestions for improvement
- 6. Anything else?

Accreditation of academic achievements

- Most important info on your courses on BASIS
- How do you feel about your courses? Are they (too) difficult?
- Do you know how many credits you will receive?
- Do you know how your courses' finals will look like (term paper, exam, etc.)?

At the English Department, you must take entire modules and successfully complete them with an exam/ term paper in order to receive credits! (Other departments might handle this differently.)

Exams

- Two exam periods:
 - First period: 10/07 22/07/2023
 - Second period: 18/09 30/09/2023
- Exam info (venue, time slot, etc.) either on BASIS or communicated in class
- Registration: inform your teacher beforehand via email or in person (not via BASIS) and hand in course certificate
- Make sure to hand in a course certificate for every exam (but not necessarily for every module component)

Exams

- Be well prepared
- Do <u>not</u> cheat!
- Be there on time (approx. 15 minutes early)

Exams - Course Certificates
